**Who we are:** Since 1970, the Irish Northern Aid Committee has been at the forefront in support of the struggle for freedom, justice, and self-determination for all the people of Ireland.

**Why this tournament:** The trust was started for the care, upkeep and maintenance of the Bobby Sands Circle Monument and property; the only one of it's kind in the United States of America. Over the past few years INA has been raising funds for the refurbishment of the monument and circle; to include new landscaping, cleaning of the monument, running water, new flag poles and lights for the flags. We are almost there! with your help and support hopefully this year we can make the renovations come true!

*The Hartford Irish Northern Aid Committee and members thank you for your continued dedication and support to Irish Northern Aid and to The Bobby Sands Circle Trust*
